DEDICATION

We, the Class of 1955, are proud to dedicate this tenth
edition of our Luanna to Principal I. Glen Berg --
To the friend who was the first one to greet us on our
arrival in high school and guide us through the
eventful days of our Freshman year --
To the friend to whom we could always turn for advice
as we continued our career through Dalton High --
To the friend who has given unselfish devotion of time
and effort to school and community projects --
For these reasons, it gives us great pleasure to pre-
sent this book to you.

From p. 19

On this part of our trip we lost a passenger, but picked up one hitch hiker from Germany. This made fifty passengers on our bus. We stopped for two days to help a farmer pick up his potatoes and used another day to sell advertisements for the football programs. After riding for some period of time, we had our pictures taken by Mr. Davis. Sometime later the band uniforms and the football field were dedicated. We were happy to see people from our group participating in both these events.

In the lull between football and basketball, we presented our class play, "You Can't Take It With You," and served a banquet to 225 hungry farmers and their friends. Then came our name cards and we were busy writing. We sponsored the sale of Bulldog sweat shirts to the entire student body. We stopped next to sell advertisements for our yearbook. These activities helped our treasury considerably. After another period of travel, we volunteered to help with the Cancer Drive.

Toward the end of our trip, we took time out to publish the "Luanna." We were honored with a banquet by the Juniors. A short excursion into New York City brought to an end the wondrous four years of travel we had enjoyed together. With Commencement each of the fifty passengers will now transfer to their individual point of destiny. May we express our thanks to both the faculty members and the students who helped to make our journey, thus far, a happy and successful one!

HISTORY

In the fall of 1951, seventy-six very happy freshmen climbed aboard the greyhound bus for the first part of our trip through Dalton High School. Our supervisor was Mr. Berg. At the controls were President Dick Snyder, Vice-President Rebecca Stockham, Secretary Margaret Martin, Treasurer Marilyn Shaffer. Our Sergeant at Arms, Larry Gardner, was the back seat driver. Our Councilors were Colleen Nussbaum, Ronnie Hostetler, and John Ellis Sprunger.

We became bona fide members of Dalton High School after a day and an evening of initiation supervised by the Seniors. We took time out for a party in the auditorium when warm spring days arrived. We were still young enough to thoroughly enjoy games and refreshments. We were well represented in music and sports during our first year even though we were too young and inexperienced to make the varsity.

Things were running smoothly when we had our first rest stop. We noticed that our tires were getting smooth so we had them retread during the summer months. Feeling secure, we boarded our bus for the second part of our journey. Now we had only 53 passengers - our friends from Marshallville had transferred to another line. Annabelle Lehman became a victim of poliomyelitis and was unable to continue on the trip with us.

At the controls this year were President Jim Bolender, Vice-President Ima Smith, Secretary Virginia Reed, and Treasurer Raymond Good. Our Supervisors were Miss Campbell and Mr. Lipinski. Our Sergeant at Arms, Larry Gardner, was again the back seat driver. Maxine Mumaw, John Ellis Sprunger, and Rebecca Stockham were our Councilors.

We stopped briefly to order our class sweaters, white and maroon with our class emblem, from Berg's Dry Goods. We had another class party at the Kidron Grade School. We were again well represented in both music and sports. We had one majorette and one cheerleader in our group this year.

Another rest stop during the summer months helped to prepare us for the next stage of our journey. We had our fuel replenished at the filling station in Room 25. Mr. Berg and Mrs. Shankleton were the proprietors. At the controls for this part of the journey were President Ima Smith, Vice-President Bob McGovern, Secretary Rosie Gerber, and Treasurer Shirley Hare. Our Sergeant at Arms, Ray Good was the back seat driver. Our Councilors were Jim Bolender, Rebecca Stockham, and Maxine Mumaw. We stopped long enough to get our class rings from Mr. Van Dersall and to have a roller skating party at Canton.

On May 7 we presented our class play, "Seventeenth Summer," under the direction of Mr. Jogan. After traveling so far, we were hungry and stopped in China for an oriental banquet. The Seniors were our honored guests. We were again well represented in both music and sports. We now had earned seats on the Varsity teams.

After the hard and strenuous Junior year, the engine of our bus was knocking when summer rolled around once more. We called a wrecker to haul it to Room 26. Here Miss Santschi and Mr. Jogan put our motor back in tune. They straightened out our finances and put us back on a sound financial basis during our Senior year. We were certainly happy to have them with us on this last part of our trip.

At the controls were President Ray Good, Vice-President Rebecca Stockham, Secretary Rosie Gerber, and Treasurer Shirley Hare. Heinz Horn, our Sergeant at Arms, was the back seat driver. Our Councilors were Dean Sullivan, Elizabeth Mason, & Larry Gardner. Bob McGovern was elected President of the Student Council and Don Hofstetter kept order in that august body.

CLASS WILL

Friends, we have been called together in this solemn moment, that you, the heirs of this Class of 1955, may hear the reading of her last will and testament. May we entreat you to receive your legacies in the spirit of good friendship; and may these gifts multiply as in the parable concerning the talents.

ARTICLE I We feel that our brilliant record of unusual achievements will live after us; but not willing to take any chances, we suggest that a tablet be inscribed with our names and just a few of our deeds. This should be hung in the upper hall so that classes coming after us will always remember our deeds.

ARTICLE II To the Faculty we leave our kindest regards and our sincere thanks for the fact that they have finally graduated us.

ARTICLE III To the Juniors we leave Room 26 along with the high ideals, good sportsmanship, and the fine co-operation that accompanied all our efforts.

ARTICLE IV To the Sophomores we leave our patience. They will need it to endure the problems of the coming year.

ARTICLE V To the future Freshmen we leave our unused time, undeveloped talents, and unfilled ambitions. With these they will not be green very long.

ARTICLE VI To the Freshmen there is little we can give. They will soon be Sophomores, and then their self-estimation will be such that nothing, even in our possession, will be deemed worthy by them.

ARTICLE VII Individually and separately, we divide our worldly goods thus:

Kenneth Amstutz wills his "antler-horn" glasses to Arthur Berg.

Jim Bolender wills his gift to argue to Bob Kennedy.

Tom Brown wills Rt. 548 to Dave Bolender.

Clair Clark wills his tardy record to Elaine Kerstetter.

Marlene Cline wills her ability to get along with teachers to her sister Carol.

Greg Close wills his coon-hunting ability to Lanny Rossiter.

Roger Eberly wills his ability to keep house to Mabel Lehman.

James Fahrni wills his size to Gary Hostetler.

Larry Gardner wills his class ring to Barbara Martin.

David Gerber wills some of his height to John Paul Lehman.

Rosie Gerber wills her continuous giggle to Phyllis Bixler.

Ray Good wills his Texas legs to Myron Nussbaum.

Shirley Hare wills her ability to get along with boys to Gloria Domer.

Lavonne Hauenstein wills her driving ability to Larry Bodager.

Earl Hazel wills his Holmes County girls to Bill Edwards.

Don Hofstetter wills his football uniform to John Wertz.

Marjorie Hofstetter wills her rosy cheeks to Bonnie Nussbaum.

Heinz Horn wills his vast storehouse of knowledge to Dean Palmer.

Myron Horst wills his clever remarks to Eileen Mentzer.

Ronnie Hostetler wills his fine features to Joe Sword.

Liz Lehman wills her love for Orrville boys to Ann Sommer.

David Lehman wills his wavy hair to Jim Forrer.

Elizabeth Mason wills her trumpet to Marilyn Graber.

Bob McGovern wills his seat in Student Council to Danny Thomas.

Marlene Moser wills her blonde hair to Janet Boss.

Maxine Mumaw wills her piano to Ronnie Sprunger.

Colleen Nussbaum wills her extra shoes to Miss Santschi.

The loss of Jim Bolender early in the season was a severe blow to the team. His indomitable courage and fight against a second attack of polio served as a wonderful inspiration to the boys to do their best for Jim. We salute you, Jim, for your wonderful fighting spirit.

The 1954 football season opened at Doylestown with the Chipps. The 47 to 12 defeat gave glaring evidence to the loss of Bolender because of polio and the resulting slow down of practice for the Bulldogs. Thomas and Adams did the scoring.

The second game at Rittman was a scoreless deadlock throughout the first three quarters. Each team then made a lone TD with Adams scoring for Dalton and Hostetler going over for the extra winning point. This ended a three-year losing streak.

The Bulldogs next traveled to Millersburg. Dalton downed the Spartans 20 to 6 for their second win. Hostetler scored two touchdowns and Thomas one. Eash and Raber each added an extra point.

For the first home game of the season on our new football field, Dalton entertained Strasburg. The boys put on a good show for the capacity crowd winning 25 to 7. Adams, Wertz, Thomas, and Hostetler scored for Dalton. Wertz added the extra point.

The Bulldogs now met Doylestown again but on our own field. The game was played in a steady downpour. At the end of a sloppy, muddy first half the Bulldogs lead 6 to 0. The last half was slow but Dalton proceeded to stop the Chipps by an 8 to 0 margin. Touchdown and safety were made by Adams.

We next played host to the Rams of Navarre for our Homecoming game. The Rams led 7 to 0 at the half. The final score 20 to 0 in their favor.

For our last home game we played the Indians of Rittman again. This was Mom and Dad's Night and also the formal dedication of our new football field. It was a very close first half with the Bulldogs leading 7 to 0. We went on to a 14 to 0 victory. Touchdowns were made by Thomas and Adams. The extra points were scored by Eash and Wertz.

Dalton jaunted to Bellville for the last game of the year. The Bulldogs were behind all the way --final score 31 to 0.

The Dalton Bulldogs journeyed to Fredericksburg for their third straight league game. Dalton downed the Freddie's 99 to 70. Danny Thomas led the scoring with 38 points.

The Bulldogs entertained Millersburg for the first non-league game of the season. The game was never very close with Dalton coming out on top 72 to 58. Danny Thomas led the attack with 30 points.

The Bulldogs traveled to Northwestern to defend their lead in the Wayne County League. Fighting hard Dalton went down to defeat 80-70 for the first loss of the season. Danny Thomas again led the scoring with 36 points.

Recovering from their first defeat Dalton now played host to the Norwayne Bobcats. With the game being close all the way, the Bulldogs suffered a heart breaking 1-point loss. Final score was 69 to 68. Larry Gardner led the scoring with 17 points.

During Christmas vacation the Bulldogs played host to one of their biggest rivals - the Alumni. The high school five played very good ball and defeated the Alumni 84 to 48. Leading the Varsity was Danny Thomas with 33 points. The high scorer for the grads was Gene Forrer with 15 points.

Dalton traveled to Shreve to play the league-leading Trojans. The Bulldogs played a fine game but were defeated by the Trojans on a two-point margin. Final score 74 to 72. Gary Hostetler and Danny Thomas had 23 and 28 points for the Bulldogs.

The Bulldogs next traveled to Northwest for a non-league game. The game was close all the way ending in a tie, 58 - 58. In the overtime period Dalton forged ahead to win 60 to 59. High scorer for Dalton with 24 points was Danny Thomas.

The Bulldogs now traveled to Smithville for a league game. Dalton lead throughout the game and finished on top 67 to 54. Top scorers were Larry Gardner and Danny Thomas each with 21 points.

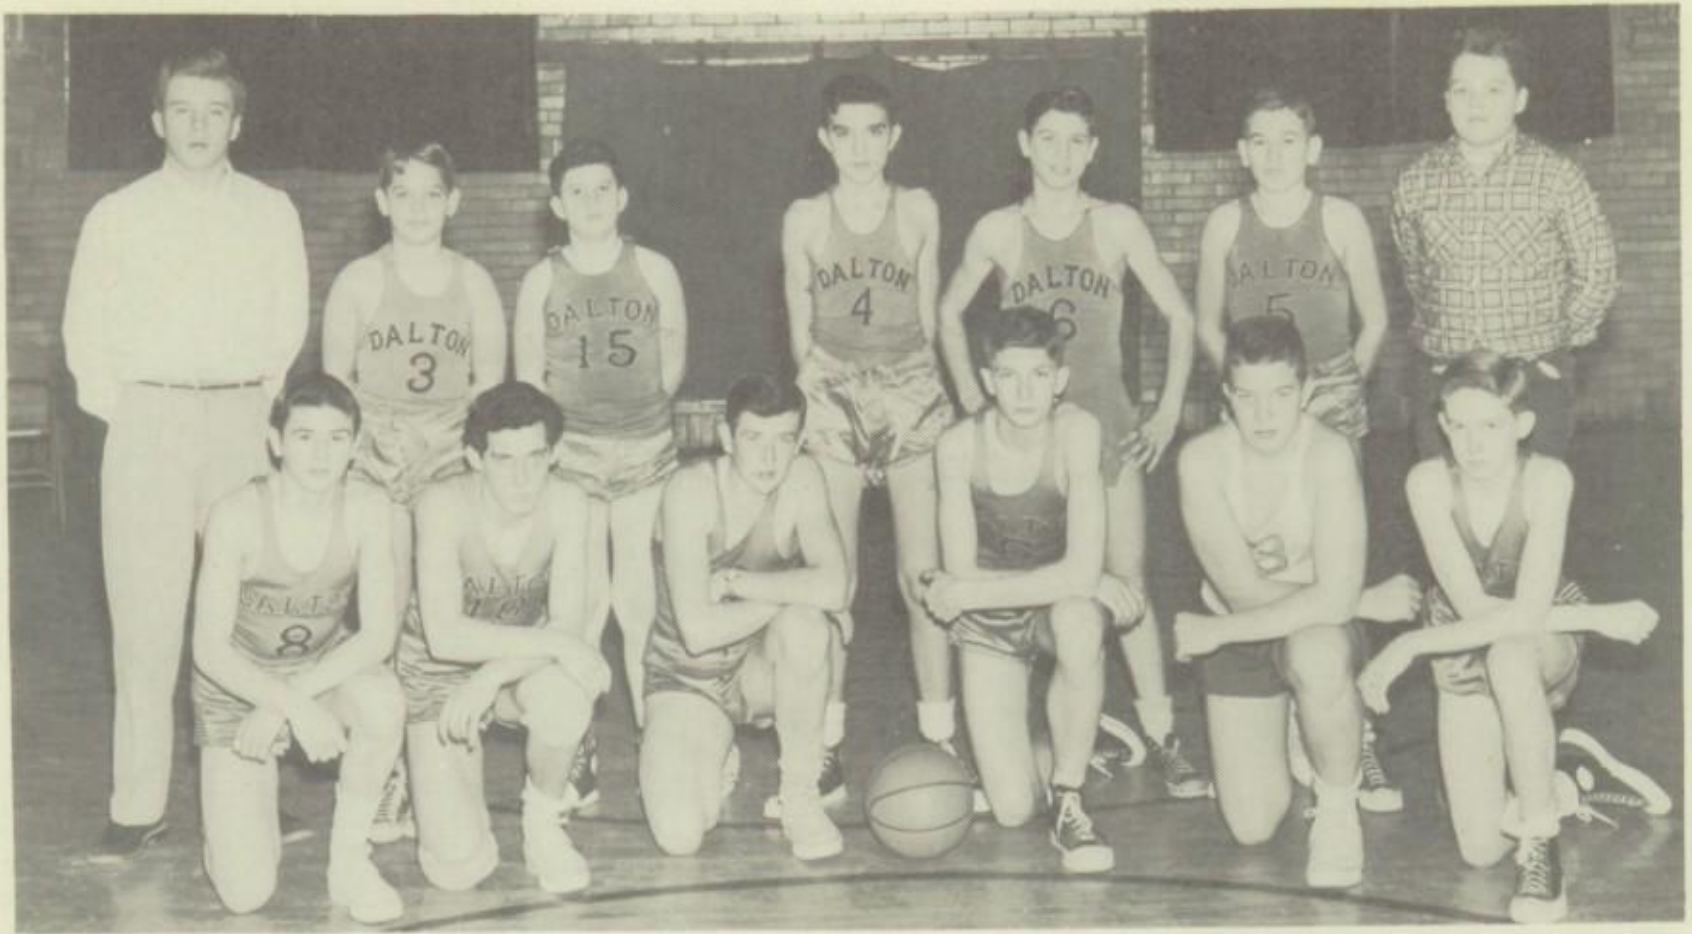

The Aces were guests of the Bulldogs for a league encounter. Dalton won fairly easy by an 86 to 57 margin. Dalton was paced by Danny Thomas with 32 points. This was our second win over AppleCreek.

The Bulldogs traveled to Rittman to play the Indians in a non-league game. The score was fairly close in the first half but the Pups fell behind in the second half. A last minute rally failed so that the score stood 70 to 65 in their favor. High score man was Danny Thomas with 34 points.

Dalton entertained Fredericksburg for a league game. It started as a very close game but soon ran to an amazing 125-50 victory. High man was Danny Thomas with 39 points leading the team again.

The Bulldogs jaunted to the Chippewa town of Doylestown, our old rival. Dalton was thoroughly outclassed in this game after the first half. The final score was 63 to 50. This was our worst loss of the season. Danny and Gary each had 12 points.

Dalton entertained the Huskies of Northwestern for a top game. The Huskies continued to hold their mastery over Dalton by keeping a 10-point lead all the way to win 80 to 71. Gary Hostetler was high scorer with 18 points.

Dalton took to the road for their next game at Norwayne. The score was tight with the game being tied at the half 29 - 29. In the second half we caught fire and finished up on a 66 to 55 margin. Top scorers were Danny Thomas and Gary Hostetler with 20 and 18 points respectively.

Manchester High were guests of Dalton for our last non-league game of the season. The Bulldogs took the lead early in the ball game and held it easily throughout. The score tallied 79 to 57. Danny Thomas paced the Pups with 26 points.

For our last game of the season the Bulldogs played host to the tough Trojans from Shreve. The league championship rested on the outcome. The game was close throughout the first quarter; then Shreve pulled ahead 14 points until Dalton caught fire in the last part of the second quarter for a 34 - 31 lead. Final score read 72 to 66. The game was not decided until the final 15 seconds. Danny Thomas was high man with 32 points.

We entered the tournament with a 12-6 record. We drew Smithville for our first game. This was one of the hardest fought victories of the season. It was close throughout the first half with the score being 31 - 30 in our favor. The battle continued till the final second of the game when a jump shot by Larry Gardner won the game 62 to 61. Gary Hostetler and Danny Thomas hit for 18 and 17 points.

Dalton entered the semifinals of the tournament against Shreve. Playing a very good game the Bulldogs were edged out of a 64 - 70 decision. Gary Hostetler was the high scorer with 21 points.

The Chipps and the Bulldogs battled it out to see who would be out of the tournament. The Bulldogs took an early 8-0 lead and never relinquished the lead. The closest Doylestown was to the lead was an 18-15 margin but the Bulldogs remained ahead by 30-17 margin at the half. In the second half a stall was put on by the Bulldogs slowing up the game. Then the Pups pulled ahead and went to the win 57-46. Danny Thomas was high with 16 points.

With high hopes the Bulldogs faced the Huskies in the consolation semi-finals. Dalton put up a good fight but went down to defeat 82 to 61. Danny Thomas led the attack with 24 points.

Raymond R. is now a salesman
Going from door to door;
In his little brief case,
He carries a general store.

Vera and Vida are missionaries
In a foreign land;
To anyone who has troubles,
They'll lend a helping hand.

Danny is now the druggist
In our little home town.
He fills prescriptions every day
And does it without a frown.

Allen works at the Buckeye
Grinding feed all day.
And when his work is done
He's waiting for his pay.

Henry now drives a truck
Traveling many a weary mile.
But he's never had a wreck,
You'll find his good record on file.

Sylvia is now living in Springfield
Her man she strives to please.
To put vitamins into her children
She feeds them spinach, carrots, and peas.

Ima is now our TV star
Taking Dinah's place
She says nothing could be finer
Than selling Chevrolets.

Loretta has her own dress shop
Her dresses are pretty, her prices are low;
If you want Credit, she'll never say, "No."
So, for that new dress, you know where to go.

Bill is now a cop
His beat is Dalton's square;
He's always in a jovial mood
And hopes someday, to be the mayor.

John Earl is still a photographer
Taking pictures galore,
Anyone who goes there once
Will always return for more.

From p. 39

John Ellis enjoys accounting
 And always works in the "black."
 A few more years as comptroller
 And he'll drive a new Cadillac.

Margaret now works in a big library
 And can find you any kind of book.
 She is secretly planning to marry the boss
 If she can ever learn to cook.

Rebecca is now an opera star
 Her voice we love to hear,
 Everytime she comes on stage
 People stand up and cheer.

Dean is now a truant officer
 Chasing children all around;
 Kids, don't try to hide from him
 'Cause he knows where you can be found.

Ernest now sells vitamins
 Which make you very healthy;
 He sells them to the poor for cash,
 And also to the wealthy.

Bob W. now writes for the paper
 And was promoted to editor-in-chief,
 He sometimes writes editorials
 But most of his columns are brief.

Charles is a lawyer famous
 Who can handle any case.
 He'll win them here, he'll win them there,
 He'll win them any place!

FIRST GRADE AT KIDRON

THIRD GRADE AT DALTON

ELEMENTARY

A note of nostalgia will touch the hearts of older people of the community as this ancient landmark makes room for progress.

When the grade school was first established is not clear and neither is the date when it was completed and became the focal point of parents of young children just starting out.

A new and streamlined extension of the present physical plant will complete the modern facilities of the elementary school system.
